

TAM HANGERS

ABOUT US

TAM HANGERS, with over 40 years of experience in manufacturing plastic garment hangers, currently carries out production at its modern and integrated facility in Istanbul, with distribution and sales centers in Germany and Poland. We constantly compete with ourselves to fulfil our customers' expectations.

TAM HANGERS is providing worldwide customers with products and services that deliver real value in terms of design, innovation, lead-time, quality, price and environmental impact. We are working with some of the world's largest global retailers, such as: M&S, H&M, C&A, Zara, George, Wal-Mart, Next, etc.

As a business partner to such leading clothing retailers, TAM HANGERS is proud to be exporting to more than 70 countries worldwide. In addition, we supply our products to international distributors all over the world.

TAM HANGERS is able to meet its customers' ever-evolving creative expectations on time, in terms of manufacturing the moulds for new and unique products at its own facility, thanks to its experienced team of technical experts and its implementation of the highest advanced technologies.
